

*We cut to a close-up of the application...*

**Mouth: New Ultra Corega Connect prevents food particles from entering, adapting to the natural movement of your mouth so you feel comfortable and connected with your dentures and your friends.**

*We cut back to Maria enjoying her brownie while having fun with her friends. The host takes a group selfie with Maria at the center of the photo, showing a big smile and renewed confidence.*

*Packshot and mouth badge appears over the footage.*

**VO/SI: If your mouth could talk, it would ask for NEW Ultra Corega Connect .**
